We are offering a very limited number of Day Vendor spots. The fee for this spot will be \$20.00, paid on the day of the market. As we only have two dedicated spots for Day Vendors, you will need to contact us via email a week ahead of each day you want to come in. These spots are not guaranteed until you receive an email confirmation in the Monday Memo. For a guaranteed weekly spot, please submit a regular vendor application. There is no fee for non-profit/community tables, but are very limited, so contact us ASAP to reserve your dates.
